## HIGHLIGHTS

- The Alaska Type 1 Incident Management Team (IMT) was sent to California to the Horse Fire, burning in the Cleveland National Forest, on Monday. The AK IMT will take over the fire this afternoon. The North Stars fire crew also left with them to go to the Lower-48. Below is a picture of their departure from Alaska on Monday:

The Bureau of Land Management Alaska Fire Service provides wildland fire suppression services for all Department of the Interior and Native Corporation lands in Alaska, and assists those entities with other fire management activities including: guidance and interpretation of fire policy for BLM Alaska and management of the BLM Alaska aviation program. In addition to fire suppression missions, AFS also conducts prescribed fires in accordance with various partner agreements.
